

4. CV of the researcher

1. Academic Background

1.1. Current Position

Postdoctoral Researcher in Geography, RITMEA Project / 2026

- “Cross-Border Franco-Belgian Mobilities: Ways of Dwelling and Residential Choices”
- Laboratoire de Recherche Sociétés et Humanités (LARSH), University Polytechnique Hauts-de-France, Valenciennes.

1.2. Awards

Nominated for the Doctoral Thesis Prize of the French National Committee of Geography (CNFG), 2026

- 11 theses selected by Section 23 of the CNU (French National Council of Universities)
- Results expected in September 2026

1.3. Education

PhD in Geography / 2021–2025

Completed under a doctoral contract awarded by the *École des Hautes Études en Sciences Sociales* (EHESS), within UMR 8504 Géographie-cités, Aubervilliers.

- Title: “Geography of the Invisible: The Territories of Women’s Memory”
- Supervisor: Nicolas Verdier (CNRS, EHESS)
- Defense date: 14 November 2025

Master 2 in Territories, Spaces, Societies / 2020–2021

École des Hautes Études en Sciences Sociales (EHESS), Paris.

- Awarded with highest honors (mention très bien)
- Master’s thesis: “The Appropriation of Public Space by Feminist Social Movements: The Case of Collages Féminicides Paris”

State Diploma in Architecture / 2019–2021

École Nationale Supérieure d’Architecture Paris Val-de-Seine (ENSA PVS), Paris.

- Awarded with highest honors and research distinction (mention très bien, mention recherche)
- Master’s thesis: “The Counter-Monument: A Shift in Commemorative Practice”

Bachelor’s Degree in Architecture / 2015–2019

École Nationale Supérieure d’Architecture Paris Val-de-Seine (ENSA PVS), Paris.

1.4. Teaching Experience

Adjunct Lecturer (chargée d’enseignement vacataire) / since 2021

University Paris 1 Panthéon-Sorbonne:

- Tutorial “Cartography and Graphics” – 24 h
- Tutorial “Introduction to Territorial Diagnosis” – 52 h

École des Hautes Études en Sciences Sociales (EHESS):

- Seminar “Designing Research in Territories, Spaces, Societies” – 104 h
- Seminar “Collective Fieldwork on the Paris Metropolis” – 48 h

Doctoral Teaching Fellow, EHESS / 2022–2023

- Seminar “Heritage and ‘Matrimony’: Feminist Stakes through the Lens of Memory” – 26 h
- Seminar “Designing Research in Territories, Spaces, Societies” – 26 h
- Tutoring for students of the Master’s program “Territories, Spaces, Societies” – 12 h

1.5. Professional Experience in Architecture

Internship, Architecture Firm / September 2018

Atelier Touchard Architectes, Versailles

- Condition surveys of buildings listed as Historic Monuments. Site supervision for the restoration of a Jesuit Spiritual Centre.

Internship, Architecture Firm / July 2017

Cabinet d’architecture Philippe Giorgi, Vauhallan, France

- Project design, models, site supervision.

Construction Site Internship / August 2016

AIG - Arquitectura Ingenieria y Gestion SPL, Valencia, Spain

- Rehabilitation of a single-family house within the city’s protected heritage.

First Practical Internship / February 2015

Cabinet d’architecture Philippe Giorgi, Vauhallan

- Project design, models.

1.6. Skills

Qualitative research methods: semi-structured interviews, participant observation, archival research, documentary analysis, field surveying with measured drawings, questionnaire-based surveys.

Quantitative research methods: construction and analysis of original databases, univariate statistical analysis, statistical cartography.

Digital research methods: collection, encryption, and processing of geolocation data (GPS mobility tracking via OwnTracks); processing and analysis of trajectories in Python (data cleaning, reconstruction of trips, spatial analysis).

Computer Skills:

Quantitative data management and analysis: Microsoft Excel, Python

Geographic Information Systems (GIS): QGIS, OwnTracks

Graphic representation (CAD): Adobe Illustrator, Adobe Photoshop

Layout and word processing: Adobe InDesign, Microsoft Word, PowerPoint

Technical design and industrial drawing: AutoCAD

Video editing: Adobe Premiere Pro, iMovie

Mind mapping and flowcharts: SimpleMind

Languages

French: Native

Spanish: Native

English: Fluent

2. Research Activities

2.1. Overview of Research Activities

Member of the international network of the UNESCO Chair in Inclusive Toponymy “Naming the World” University of Geneva.

Member of the cross-cutting research group “Reflexivity in Research Practice” Géographie-cités laboratory, UMR 8504.

Academic Profiles and Social Networks

[Hal Archives](#) ; [Google Scholar](#) ; [Personal Website](#)

2.2. Postdoctoral Research

Postdoctoral Contract / 2026

Laboratoire de Recherche Sociétés et Humanités (LARSH), University Polytechnique Hauts-de-France, Valenciennes.

- Title: “Cross-Border Franco-Belgian Mobilities: Ways of Dwelling and Residential Choices”
- Part of Strand 6, “Socio-Economic Impacts” of the RITMEA project
- Design of the survey protocol; observational fieldwork and semi-structured interviews with residents and mobility intermediaries; compilation and updating of quantitative data on residential choices; contextualized thematic analysis.

2.3. Doctoral Thesis

Doctoral Thesis / 2021–2025

École des Hautes Études en Sciences Sociales (EHESS) and UMR 8504 Géographie-cités

- Thesis committee: Dominique Chevalier, Karine Duplan, Béatrice Fraenkel, Frédéric Giraut, Réjane Sénac, Camille Schmoll, Vincent Veschambre.
- Defense date: 14 November 2025.
- Doctoral advisory committee: Fabrice Ripoll, Marylène Lieber, Djemila Zeneidi, Lucie Marinier.
- Title: “Geography of the Invisible: The Territories of Women’s Memory”
- Keywords: geography of gender – urban geography – public space – exposed writing (écritures exposées) – gender and memory – appropriation – semiology – politics of memory – *lieux de mémoire*.

2.4. Pre-Doctoral Research Experience

Independent contractor, Research Assistant on the program EC 45/85 – Cultural Buildings 1945–1985 in France: A 21st-Century Architecture? / 2021

Laboratoire d’architecture conception territoire histoire (LACTH), Lille.

- In charge of producing the film presenting the research findings and of producing short video features on the various cultural buildings analyzed; conducting interviews.

Research Internship on the research program EC 45/85 – Cultural Buildings 1945–1985 in France: A 21st-Century Architecture? / 2020

Laboratoire d’architecture conception territoire histoire (LACTH), Lille.

- Familiarization with the objects and scientific methods of architectural research. Collection, classification, and organization of the entire film corpus of the research.

2.5. Publications

2.5.1 Articles in Peer-Reviewed Journals

A. MALLAH, “Le Panthéon sous tension: quand le matrimoine fait vaciller les grands hommes” [The Panthéon under Strain: When Matrimoine Unsettles the Great Men], no. 46/1, *Nouvelles Questions Féministes*, 2027 (forthcoming, accepted).

A. MALLAH, “Présentes mais invisibles: les femmes dans la toponymie parisienne” [Present but Invisible: Women in Parisian Toponymy], no. 764 (4), *Annales de Géographie*, 2025, pp. 76–101.

A. MALLAH, “Les collages contre les féminicides: le signe de l’appropriation de l’espace public” [Anti-Femicide Collages: A Sign of the Appropriation of Public Space], no. 21, *Mosaïque*, 2024.

2.5.2 Databases

A. MALLAH, “Genre des odonymes parisiens. Analyse des odonymes parisiens selon une approche genrée” [Gender of Parisian Street Names: A Gendered Analysis of Parisian Odonyms] (Version 1) [Data set]. NAKALA – <https://nakala.fr> (Huma-Num – CNRS). <https://doi.org/10.34847/NKL.5BB98B95>, 2025.

A. MALLAH, “Base de données des collages féministes parisiens (2019–2024). Analyse de la production des collages féministes à Paris (par Collages Féminicides Paris)” [Database of Parisian Feminist Collages (2019–2024): An Analysis of Feminist Collage Production in Paris (by Collages Féminicides Paris)] (Version 1) [Data set]. NAKALA – <https://nakala.fr> (Huma-Num – CNRS). <https://doi.org/10.34847/NKL.ABE2875S>, 2025.

2.5.3 Book Chapters

A. MALLAH, “*La rue, un espace de domination masculine*” [The Street: A Space of Male Domination], chapter in *Notre colère sur vos murs*, Paris, Denoël, pp. 48–50, 2021.

A. MALLAH, “*Le déséquilibre spatial des collages dans Paris*” [The Spatial Imbalance of Collages across Paris], chapter in *Notre colère sur vos murs*, Paris, Denoël, pp. 60–67, 2021.

A. MALLAH, “*Les collages comme moyen de se réapproprier l’espace urbain*” [Collages as a Means of Reappropriating Urban Space], chapter in *Notre colère sur vos murs*, Paris, Denoël, pp. 51–59, 2021.

2.5.4 Public Outreach

A. MALLAH, “*Raconte-moi ta thèse #13 | Ce que le matrimoine fait au patrimoine: la reconnaissance de nouveaux usages*, par Alexandra Mallah” [Tell Me About Your Thesis #13 | What Matrimoine Does to Heritage: The Recognition of New Uses], EHESS Alumni, 6 October 2022.

2.6. Scholarly Presentations

2.6.1 International Conferences

A. MALLAH, “*Les odonymes féminins à Paris, une reproduction spatiale des inégalités de genre à l’œuvre dans la société ?*” [Feminine Street Names in Paris: A Spatial Reproduction of the Gender Inequalities at Work in Society?], International Conference of the UNESCO Chair in Inclusive Toponymy (University of Geneva, University of Montpellier Paul-Valéry, University of Rouen), “Toward an Interdisciplinary Approach to Toponymy” 18–20 June 2026, Montpellier.

A. MALLAH, “When the Street Becomes a Site of Memory: Emotions, Narration and Contested Heritage in Femicide Memorials in Paris” ERC International Conference Frictions of Space: The Generative Tensions of Tourism in Slavery and Colonial Heritage Tourism, “Tourism, Memory and Heritage: Emotional

Geographies of Cultural Production, Memory-Making and Commemoration” 1–3 June 2026, Amsterdam and Wageningen.

A. MALLAH, “Strategies for Urban Space Appropriation: The Case of Collages Féminicides Paris” 35th International Geographical Congress, IGU, 24–30 August 2024, Dublin.

A. MALLAH, “*Les odonymes féminins à Paris: vers un paysage mémoriel plus inclusif*” [Feminine Street Names in Paris: Toward a More Inclusive Memorial Landscape], 3rd International Congress of the Institut du Genre, “No(s) Futur(s). Gender: Upheavals, Utopias, Impatiences” 4–7 July 2023, Toulouse.

A. MALLAH, “*Ce que les collages contre les féminicides font à la ville*” [What Anti-Femicide Collages Do to the City], international conference “*Créatrices dans la cité: penser la ville avec les femmes, de la Cité des Dames aux promenades du matrimoine*” University Gustave Eiffel, 12–14 June 2023, Champs-sur-Marne.

2.6.2 Study Days

A. MALLAH, “La fabrique de l’interdisciplinarité: géographie et gender studies en dialogue dans le cadre d’une recherche doctorale” [Making Interdisciplinarity: Geography and Gender Studies in Dialogue within Doctoral Research], study day “Les interdisciplinarités de la géographie avec les sciences sociales” 26–27 March 2026, Aubervilliers.

A. MALLAH, “Cartographier les collages contre les féminicides à Paris” [Mapping Anti-Femicide Collages in Paris], study day “Du réel aux modèles: concilier l’objectif d’abstraction et l’imprécision de l’information” 30 January 2026, Paris.

A. MALLAH, “Mémoire des genres: l’espace urbain comme une archive” [Gendered Memory: Urban Space as an Archive], international early-career study day of the SFR ALLHiS, “Genre, mémoire et sources” 10–11 April 2025, Saint-Étienne.

A. MALLAH, “À l’intersection de la commémoration et des mobilisations sociales, les collages commémorant des victimes de féminicides” [At the Intersection of Commemoration and Social Mobilization: Collages Memorializing Femicide Victims], EHESS–University of Geneva international study day “Enjeux féministes au prisme des graphies exposées” 27 November 2024, Aubervilliers.

A. MALLAH, “De la signature au monument: de quoi les collages contre les féminicides sont-ils le signe ?” [From Signature to Monument: What Do Anti-Femicide Collages Signify?], interdisciplinary doctoral conference in the humanities and social sciences “Signes, symboles, symptômes: les manifestations du sens dans l’espace” 1–2 March 2023, Grenoble.

A. MALLAH, “Quelles représentations de la mémoire des femmes dans l’espace public parisien: le cas des odonymes” [Representations of Women’s Memory in Parisian Public Space: The Case of Street Names], study day “Femmes et odonymes” of the “Production genrée de la ville (PROGEVI)” seminar, Lab’URBA laboratory, 13 January 2022, Champs-sur-Marne.

2.6.3 Research Seminars

A. MALLAH, “Les odonymes féminins à Paris, une politique volontariste qui pose question” [Feminine Street Names in Paris: A Proactive Policy Open to Question], invited talk at the “Materiality” workshop on the theme of heritage, general assembly of UMR 8504 Géographie-cités, 3–5 April 2024, Roscoff.

A. MALLAH, “Peut-on parler de pôles de mémoire du genre à Paris ?” [Can We Speak of Gendered Memory Clusters in Paris?], seminar of the EHGO team, UMR Géographie-cités, 3–5 July 2024, Chaîgnes.

A. MALLAH, “Comprendre les enjeux mémoriels des collages féministes par le prisme de l’espace” [Understanding the Memorial Stakes of Feminist Collages through the Lens of Space], seminar of the EHGO team, UMR Géographie-cités, 28–30 June 2023, Chaîgnes.

A. MALLAH, “Quelles représentations de la mémoire des femmes dans l’espace public parisien ? Le cas des odonymes” [Representations of Women’s Memory in Parisian Public Space: The Case of Street Names], seminar of the EHGO team, UMR Géographie-cités, 27–28 January 2022, Fontainebleau.

2.6.4 Invitations to Scholarly Events

Invited to give the opening address at the institutional session of the international scholarly conference *Per una toponomastica inclusiva. Dialoghi internazionali sui risultati della ricerca “L’odonomastica femminile nelle province dell’Insubria”* Università degli Studi dell’Insubria, 23 June 2026, Como (Italy).

Invited to introduce the panel “*Récits, représentations, imaginaires et identités territoriales*” at the study day of the Master’s program Territories, Spaces, Societies (EHES), 25 April 2024, Aubervilliers.

Invited to moderate the panel “*Récits, représentations, imaginaires et identités territoriales*” at the study day of the Master’s program Territories, Spaces, Societies (EHES), 25 April 2024, Aubervilliers.

Invited to speak at the side event to the 87th Session of the UN CEDAW Committee, “Towards a Gender Inclusive Cityscape” organized by the UNESCO Chair in Inclusive Toponymy “Naming the World” 12 February 2024, Geneva.

Invited to take part in the international symposium “Gender, Place Names and Public Space” UNESCO Chair in Inclusive Toponymy “Naming the World” 5–6 April 2023, Geneva.

2.6.5 Invitations to Science and Cultural Outreach Events

Invited to take part in an educational project at the Antoine Laurent de Lavoisier middle school, in partnership with France Culture and Radio Campus Paris; participation in a podcast-production initiative with pupils. Presentation of research careers and outreach on issues of matrimoine and the construction of scientific knowledge, 19 March 2026, Pantin.

Invited to the round table “*Archives et traces: de la difficulté de constituer un matrimoine*” at “*Matrimoine : (pour) faire genre ?*” organized by the Philharmonie de Paris, 9 March 2024, Paris.

Invited to speak to Year 12 (première) classes at Lycée Victor Hugo: “*Enjeux et limites des odonymes féminins à Paris*” 13 May 2022; and “*Les noms de rues féminins à Paris: une politique urbaine qui pose question*” 18 April 2023, Paris.

Invited to speak at the Institut National de l’Information Géographique et Forestière (IGN), “*Quelles représentations de la mémoire des femmes dans l’espace public parisien ?*” 8 March 2022, Paris.

2.6.6 Media Appearances

“*Rue Simone-Veil, rue Rosa-Parks... Les personnalités féminines désormais privilégiées pour baptiser les nouvelles voies*” interview by Adel Miliari and Manon Romain, Le Monde, published 11 January 2026.

“*#MeToo odonymique. Rues, squares, écoles... Partout en France, les débaptisations de lieux publics au nom de l’abbé Pierre sont en cours*” interview by Margaux Gable, Libération, published 9 October 2024.

“*«Depuis un quinquennat, les féministes sont dans la rue, pas au gouvernement»: le mouvement Collages Féminicides de Paris fête ses cinq ans d’existence*” interview by Léa Petit Scalogna, L’Humanité, published 15 November 2024.

“*Pantin/Pantine: La féminisation des noms de lieux évolue relativement vite, mais il reste peu de place*” interview by Juliette Geay, France Inter, published 4 January 2023.

“*La ville de Pantin rebaptisée ‘Pantine’: pourquoi ça crispe tant ?*” interview by Christine Mateus, Le Parisien, published 4 January 2023.

“5 ans après #MeToo, a-t-on féminisé les noms de lieux” guest on the program *Géographie à la carte* with Frédéric Giraut, University of Geneva, France Culture, 13 October 2022.

2.7. Administrative and Scientific Activities

2.7.1 Event Organization

Organization of the Strand 6 workshop of the RITMEA project / November 2026

- Program design, communication and preparation with speakers.

Organization of the doctoral study days (doctoriales) of UMR 8504 Géographie-cités / 2024–2025

- Definition of the event’s themes, program design, communication and preparation with speakers, production of the event poster.

Organization of the international study day “Enjeux féministes au prisme des graphies exposées” [Feminist Stakes through the Lens of Exposed Writing] / 27 November 2024

- Funded by UMR Géographie-cités and the University of Geneva
- Definition of the scientific rationale and research themes,
- Selection of speakers, invitation of discussants Béatrice Fraenkel and Sophie Blanchard.
- Opening address of the day.

Organization and moderation of the round table “Où désobéir ?” [Where to Disobey?], opening session of the academic year for the Master’s program Territories, Spaces, Societies (EHESS) / 3 October 2024

- Identification of speakers, introduction to the round table, discussion of the scientific issues, and moderation of the exchange with the audience.

Organization of and participation in the annual seminars of the EHGO team, Géographie-cités laboratory / 2023–2024

2.7.2 Collective Activities

Organizing team of the Doctoral Researchers’ Meetings of UMR 8504 Géographie-cités and UMR 8586 PRODIG (Research Center for the Organization and Dissemination of Geographic Information) / 2022–2024

- Organization of the monthly inter-laboratory seminar for doctoral researchers of Géographie-cités and PRODIG: identifying speakers, communication and preparation with speakers, production of posters, logistical organization.

Member of the Réagir PVS collective: a collective against gender-based and sexual violence at ENSAPVS / 2020–2022

- Involvement in founding the group. Guidance and support for victims, awareness-raising on violence, event organization.

2.7.3 Peer Review / Evaluation

Member of the scientific committee of the International Conference of the UNESCO Chair in Inclusive Toponymy (University of Geneva, University of Montpellier Paul-Valéry, University of Rouen), “Toward an Interdisciplinary Approach to Toponymy” 18–20 June 2026, Montpellier.

- Call for papers, program, and schedule of the conference.
- Double-blind review of paper proposals.

3. Teaching Experience (total 294 hours)

3.1. Summary Table of Teaching Activities

Year	Institution	Program	Course Title	Teaching hours
2026	University Paris 1 Panthéon Sorbonne	Bachelor's in Geography	Cartography and Graphics	24 h
2024-2025	University Paris 1 Panthéon Sorbonne	Bachelor's in Geography	Introduction to Territorial Diagnosis	26 h
	EHESS	Master's in Territories, Spaces and Societies	Designing Research in TES	26 h
			Designing Research in TES	26 h
			Designing Research in TES	2 h
2023-2024	University Paris 1 Panthéon Sorbonne	Bachelor's in Geography	Introduction to Territorial Diagnosis	26 h
	EHESS	Master's in Territories, Spaces and Societies	Designing Research in TES	26 h
			Designing Research in TES	26 h
			Designing Research in TES	2 h
2022-2023	EHESS	Master's in Territories, Spaces and Societies	Heritage and <i>Matrimoine</i> : Feminist Stakes through the Lens of Memory	26 h
			Designing Research in TES	26 h
		Master's in Migration Studies	Moral and Political Geography: Mobility, Migration, Gender	2 h
2022-2023	CNAM	Master's in Cultural Industries Engineering	Public Space, New Cultural Venues	3 h
	University Catholique de l'Ouest, Angers	Bachelor's in Art History	Current Issues in Art: Conservation and Transmission of Monumental Heritage	2 h
2021-2022	EHESS	Master's in Territories, Spaces and Societies	Collective Fieldwork on the Paris Metropolis	48 h
	University Paris-Est Créteil	Bachelor's in Geography	Political Geography	3 h
				294 h

3.2. Guest Lectures

“*Penser par le visuel. Quels apports de la représentation graphique ?*” [Thinking through the Visual: What Does Graphic Representation Contribute?], invited by Sandrine Robert in her EHESS seminar “*Construire une recherche en TES*” (2h), 12 December 2024, Aubervilliers.

“*Le schéma comme outil de réflexion conceptuel*” [The Diagram as a Tool for Conceptual Thinking], invited by Sandrine Robert in her EHESS seminar “*Construire une recherche en TES*” (2h), 1 December 2023, Aubervilliers.

“*Les collages contre les féminicides: des mémoires déployées dans la ville*” [Anti-Femicide Collages: Memories Deployed across the City], invited by Camille Schmoll in her EHESS seminar “*Géographie morale et politique: mobilité, migrations, genre*” (2h), 10 February 2023, Aubervilliers.

“Les noms de rues féminins à Paris: pratiques, matérialité et réception” [Feminine Street Names in Paris: Practices, Materiality and Reception], invited by Lucie Marinier as part of her CNAM course *“Espace public, nouveaux lieux culturels”* (3h), 18 April 2023, Paris.

“Enjeux et limites de la fabrique mémorielle: les odonymes féminins à Paris” [Stakes and Limits of Memory-Making: Feminine Street Names in Paris], invited by François Caillau as part of his tutorial at University Catholique de l’Ouest, Angers, *“Actualité de l’art: conservation et transmission du patrimoine monumental”* (2h), 22 November 2022, Angers.

“Les noms de rues féminins à Paris, quels enjeux ?” [Feminine Street Names in Paris: What Is at Stake?], invited by Grégoire Le Gall as part of his Year 3 (L3) tutorial at University Paris-Est Créteil, *“Géographie politique”* (3h), 13 May 2022, Créteil.

3.3. Contribution to a Massive Open Online Course (MOOC)

Invited as a specialist in the toponymy of gender for the module *“Dominations et toponymie: postcolonialité et genre”* of the course *“Dénommer le monde: la politique des toponymes”* a MOOC developed under the direction of Frédéric Giraut within the UNESCO Chair in Inclusive Toponymy, University of Geneva, 2023, Geneva.

“Théories du genre dans l’espace public” [Gender Theories in Public Space] (10 minutes),

“Les odonymes féminins dans le monde” [Feminine Street Names around the World] (10 minutes),

“Un cas d’étude, la ville de Paris” [A Case Study: The City of Paris] (8 minutes).

3.4. Thesis Supervision and Examination Committees

Co-supervision of an M2 research thesis with Claire Hancock

A. Hamdoune, 2023, *“Les statues dans le Jardin du Luxembourg: un signe des inégalités de visibilité entre les hommes et les femmes dans l’espace public”* [Statues in the Jardin du Luxembourg: A Sign of the Visibility Inequalities between Men and Women in Public Space], University Paris-Est Créteil, Master’s in “Spaces, Societies and Territories.”

Member of the examination committee for an M2 thesis in architecture

N. Desgens, 2022, *“Monument et contre monument, des mutilations aux mut(il)ations”* [Monument and Counter-Monument: From Mutilations to Mut(il)ations], supervised by Emilio López-Menchero, Faculty of Architecture, University Libre de Bruxelles: La Cambre Horta.
